

MS Vesterålen

MS Vesterålen is one of our oldest and smallest ships, named after the stunning archipelago in Nordland country, to the north of Lofoten. Vesterålen was also the name of the first Hurtigruten ship to sail our history-making voyage in 1893. Refurbished in 2019 and again in 2022, MS Vesterålen has bright, informal public areas and lounges throughout.
